

Bhishma EXIM Enterprises

Empowering Global Trade

Quality Service

All our products are **natural, carefully handpicked, processed and packed under excellent hygienic conditions** using latest technology at our state of the art facility. All our products are known for purity, natural taste and retaining nutritional value. We have a highly experienced team providing excellent services to customers across the globe. Our products are available in various package sizes, ranging from **500g to 50kg**, or as per customer's requirement.

Our Unique USP

Being a thriving exporter and domestic supplier, we are offering a variety of agro products, processed foods, condiments, ready-to-cook and ready-to-serve foods items. We have an excellent distribution network that caters to customers of different countries.

Bhishma EXIM Enterprises is a start up company incorporated in 2022 in Bangalore with the intent of exporting and supplying agro products and handicrafts. Currently, we are exporting wide range of agro products to countries like Malaysia, Saudi Arabia, Canada, USA, Singapore and many others. Our products are natural, premium quality, and meets stringent export quality specifications. Moreover, our products are offered at competitive prices as well.
